At Montessori Noosa we expect our employees to conduct themselves as follows:

School employees are expected to always behave in ways that promote the safety, welfare and wellbeing of our students. Employees must actively seek to prevent harm to students, and to support those who have been harmed.

Specific responsibilities include:

- Employees should avoid situations where they are alone in an enclosed space with a student.
- When physical contact with a student is a necessary part of the teaching/learning experience, employees must exercise caution to ensure that the contact is appropriate and acceptable. Employees must always advise the student of what they intend doing and seek their consent.
- Employees must not develop a relationship with any student that is, or that can be interpreted as having a personal rather than a professional interest in a student.
- Employees must not have a romantic or sexual relationship with a student.

Recruitment, Selection, Training and Management Procedures

Montessori Noosa is committed to recruiting, selecting, training and managing employees in such a way that limits risks to students.

Montessori Noosa will:

- Ensure that its recruitment and selection procedures act to reduce the risk of harm to children from employees via:
 - Accurate position descriptions, including whether the successful applicant must be a teacher registered with the Queensland College of Teachers (who has been subject to relevant Police and other safety checks), or whether a Blue Card is necessary for the successful applicant, the responsibilities and supervision associated with the position, the nature and environment of the service provided to students, and the experience and qualifications required by the successful applicant.
 - Advertising the position with a clear statement about the school’s commitment to safe and supportive work practices and identifying that candidates will be subject to a teacher registration check or Blue Card screening, a police check, referee checks, identification verification and the requirement to disclose any information relevant to the candidates’ eligibility to engage in activities including children.
 - A selection process that includes assessing the application via an interview process and referee and other checks (as identified above) based on the accurate position description.
 - A probationary period of employment, which allows the school to further assess the suitability of the new employee and to act as a check on the selection process.

¹ [Working with Children \(Risk Management and Screening\) Regulation 2020 \(Qld\) sch 1 s.2\(1\)](#)

 - An induction program which thoroughly addresses the school's policies and procedures, particularly its expectations regarding student risk management and to assist employees to understand their role in providing a safe and supportive environment for students.
 - Training new and existing staff on an ongoing basis to enhance skills and knowledge and to reduce exposure to risks, as follows:
 - the school's policies and procedures
 - identifying, assessing and minimising risks to students
 - handling a disclosure or suspicion of harm to a child.
 - Keeping a record of the training provided to employees.

Appendix 3

Restricted Employment Declaration Form

Background

Montessori Noosa has a responsibility to ensure that all commencing and continuing individuals, working or volunteering with children, at the school, including whilst on excursions and camps, are not a restricted person.

As of the 31 August 2020, Blue Card Services have made changes which mean certain individuals are no longer able to rely on the current exemptions to work or volunteer with children.

The amended legislation introduced 2 new terms—restricted person and restricted employment. It is now an offence for a restricted person to commence or continue working or volunteering in restricted employment.

A restricted person is a person who:

- has been issued a negative notice, or
- has a suspended blue card, or
- is a disqualified person, or
- has been charged with a disqualifying offence which has not been finalised.

Restricted employment refers to particular exemptions which allow a person to work with children without a blue card, such as:

- a volunteer parent
- a volunteer who is under 18
- working with children for less than 7 days in a calendar year
- a person with disability who is employed at a place where the person also receives disability services or NDIS supports or services
- a secondary school student on work experience who carries out disability related work under the direct supervision of a person who holds a blue or exemption card

If you are a restricted person, it is an offence for you to commence or continue working or volunteering at Montessori Noosa, or on curriculum approved camps and or excursions. The maximum penalty is \$66,725 (500 penalty units) or 5 years in prison. It is also an offence for Montessori Noosa to engage or continue to engage a restricted person. The maximum penalty is \$26,690 (200 penalty units) or 2 years in prison.

If you become a restricted person whilst working or volunteering at or with Montessori Noosa, you must cease all child related work immediately and notify the Principal that you are no longer able to work or volunteer for or with the school.

Declaration

Please circle which one of the restricted employment exemptions are you relying on to work or volunteer with Montessori Noosa.

- a volunteer parent;
- a volunteer who is under 18;
- working with children for less than 7 days in a calendar year;
- a person with disability who is employed at a place where the person also receives disability services or NDIS supports or services; or
- a secondary school student on work experience who carries out disability related work under the direct supervision of a person who holds a blue or exemption card.

I declare:

1. I am not a restricted person.
2. I understand it is an offence to start or continue working or volunteering in restricted employment if I am currently, or become, a restricted person.
3. I will cease all child related work immediately and notify Montessori Noosa if my circumstances change.
