In some cases, the Australian Government may designate certain countries or international frameworks as having substantially similar privacy protections to those in Australia. If a recipient is located in a country that has been officially whitelisted by the Minister, Montessori Noosa may rely on that designation to satisfy our obligations under the Privacy Act.

As of the date of this policy, no countries have been formally whitelisted. Therefore, Montessori Noosa continues to assess and ensures that any overseas recipient handles personal information in accordance with the APPs.

Montessori Noosa may disclose personal information about an individual to overseas recipients e.g., to facilitate a school exchange. However, Montessori Noosa will not send personal information about an individual outside Australia without:

- obtaining the consent of the individual (in some cases this consent will be implied)
- otherwise complying with the Australian Privacy Principles or other applicable privacy legislation.

Montessori Noosa may use online or 'cloud' service providers to store personal information and to provide services to Montessori Noosa that involve the use of personal information, such as services relating to email, instant messaging and education and assessment applications. Serious harm may include serious physical, psychological, emotional, economic and financial harm, as well as serious harm to reputation.

### **Eligible data breach assessment/investigation**

If Montessori Noosa suspects that an eligible data breach has occurred, it will take reasonable steps to assess/investigate within 30 days.

If such an assessment/investigation indicates there are reasonable grounds to believe an eligible data breach has occurred, then Montessori Noosa will be required to lodge a statement to the Privacy Commissioner (Commissioner). Where practical to do so, the school will also notify the affected individuals. If it is not practicable to notify the affected individuals, Montessori Noosa will publish a copy of the statement on its website or publicise it in another manner.

### **Exception to notification obligation**

An exception to the requirement to notify will exist if there is a data breach and immediate remedial action is taken, and as a result of that action:

- there is no unauthorised access to, or unauthorised disclosure of, the information
- there is no serious harm to affected individuals, and as a result of the remedial action, a reasonable person would conclude the breach is not likely to result in serious harm.

### **Access and Correction of Personal Information**

Under the Privacy Act, an individual has the right to seek and obtain access to any personal information which Montessori Noosa holds about them and to advise of any perceived inaccuracy. There are some exceptions to this right set out in the Act. To make a request to access or to update any personal information Montessori Noosa holds, please contact the [School Principal] in writing. Montessori Noosa may require you to verify your identity and specify what information you require. A reasonable fee may be charged to cover the cost of verifying your application and locating, retrieving, reviewing and copying any material requested. If the information sought is extensive, the likely cost will be advised in advance.

If access to that information cannot be provided, written notice explaining the reasons for refusal will be provided.

The school will take reasonable steps to ensure that any personal information is accurate, up to date, complete, relevant and not misleading.

### **Consent and Rights of Access to the Personal Information of Students**

Montessori Noosa respects every parent/carer's right to make decisions concerning their child's education. Generally, any requests for consent and notices in relation to the personal information of a student will be referred to the student's parents/carers. Montessori Noosa will treat consent given by parents/carers as consent given on behalf of the student and notice to parents/carers will act as notice given to the student.

As mentioned above, parents/carers may seek access to personal information held about them or their child by contacting the [School Principal] by telephone or in writing. However, there will be occasions when access is denied. Such occasions may include (but are not limited to):

- where release of the information would have an unreasonable impact on the privacy of others
- where the school believes the student has capacity to consent and the school is not permitted to disclose the information to the parent/carer without the student's consent
- where the release may result in a breach of the school's duty of care to a student.

The school may, at its discretion, on the request of a student, grant that student access to information held by Montessori Noosa about them, or allow a student to give or withhold consent to the use of their personal information, independently of their parents/carers. This would normally be done only when the maturity of the student and/or the student's personal circumstances warrant it.
